ACHARYA TULSI NATIONAL COLLEGE OF COMMERCE

About our College:

National Education Society is a registered body, established in 1946, by a group of freedom fighters and philanthropists of Shivamogga District. Their selfless dedication, vision and concerns found expression, especially, in the field of education motivated them to infuse quality education in malnad region. Their services and contribution in the field of education have earned them a formidable but a well-deserved reputation as educators par excellence.

Founded in 1966 by NES, ATNCC has been training and imparting education in commerce and management at the undergraduate level. The college has responded well to the sweeping changes that are ushered in by globalization, liberalization and privatisation by enabling the students to build up their career. BBM degree course which was started in 1974 has been preparing promising managers, executives, entrepreneurs and other experts in various service sectors. The college also offers PG Course. (M.Com., Degree) We are proud to say that our college has been awarded the status of **“College with potential for Excellence”** and Accredited by NAAC at "B" Grade level. The college is having dedicated and experienced teaching faculty always eager to support the student Community in order to bring quality education.

VISION

Our vision is commitment to pursue excellence and the highest goals of Commerce and Management Education, to transform students into national assets, capable of generating national wealth and to pursue national objectives of integrity of character, patriotism, sacrifice and moral and ethical uprightness.

MISSION

To be a lead institution of par excellence in Commerce and Management area.

To prepare job creators and not job seekers.

To prepare students for global challenges and the consequent societal transformation.

To instil qualities of integrity, patriotism and international outlook.

To sow the seeds of research abilities, a dispassionate mind & skills of conducting surveys & project work.

Promoting and facilitating education in conformity with the statutory and regulatory requirements.]

Planning and Establishing necessary infrastructure and learning resources.

Supporting faculty development programmes and continuing education programmes.

Promoting institution industry interaction and collaboration at all levels.

Ensuring harmonious and mutually rewarding relationships among all stakeholders of the institution.
